

PRIME[®] GENSET

Powered by DEUTZ

German Engineering. Reliable Power. Proven Performance.

**POWER YOU CAN TRUST,
PERFORMANCE YOU CAN RELY ON.**

PRIME GENSET - Powered by DEUTZ delivers world-class power solutions with German engineering excellence, ensuring your business run without interruption.

APPLICATIONS

- ✓ Mining
- ✓ Power Plants
- ✓ Railways & Trains
- ✓ Commercial Buildings
- ✓ Airports
- ✓ Oil & Gas, etc.

**Powered By
DEUTZ Engine**
High performance,
fuel efficient &
built to last

Reliable & Durable
Engineered for
continuous operation
in demanding
environments

TRU Silent
technology for
quieter
performance

Easy Maintenance
Accessible design
for faster service
& reduced
downtime

**Proven
Performance**
Trusted by industries
worldwide for
mission-critical
power needs

PRIME[®] GENSET Range
